

Through our Corporate Sponsorship Program, we seek to support initiatives, events and projects that enhance lifestyle, or facilitate educational or economic opportunity in all of the communities in which we operate.

The Corporate Sponsorship Program provides financial and in-kind support for activities within the following categories:

- health and safety
- environment
- education
- arts and culture
- sport, and
- social wellbeing.

## Criteria

To be considered by Tarong Energy, a request must satisfy the following criteria at a minimum (further criterion may also apply):

- It is relevant to a region in which we operate or wish to operate
- It does not endorse a private sector organisation or a particular brand or product
- It does not conflict with our corporate values\*
- It does not require a commitment beyond three years at the time of application
- It has not been supported for the previous consecutive three years, and
- The organisation delivering the activity is reputable and there is demonstrated ability to deliver the activity.

*\*Safety and environment, cooperation, performance, ethics and accountability.*

## How to apply

Written applications are accepted at any time and considered on an ongoing basis. There is no application form for the Corporate Sponsorship Program; however, your application should include the following information to ensure its full consideration:

- An overview of the activity (include date, time, venue details, who will attend, what is planned, and who will receive any funds raised)
- Details of your organisation
- An outline of how the activity benefits the community
- Details of other sponsors that have been secured
- The amount of sponsorship sought, or provide a selection of levels to choose from, and
- The opportunities available to Tarong Energy to promote our involvement and engage with the community (e.g. signage, tickets, media coverage).

Please allow two months for assessment and confirmation of our decision.
